WHAT REDDIT SAYS

Good lunch place in Arkansas near Memphis? My husband and I are doing a state tour of TN for our upcoming vacation, including Memphis for 3 days. I want to drive over to Arkansas for lunch so I can add that state to my 'states I've been to' list. We're willing to drive an hour each way. We like all foods, but prefer what the locals like. PS: Is Graceland worth it as casual fans? ## Top Posts. *
